

# Cloud Migration

We can accompany you in the assessment, planning and migrating legacy platforms to the cloud, public, private or hybrid:

We have experience on:

- [Google Cloud Platform](#) (GCP)
- [Amazon Web Services](#) (AWS)
- [Microsoft Azure](#)
- [Oracle Cloud Infrastructure](#) (OCI)
- [Scaleway](#) (FR, Free.fr / Iliad Public Cloud)
- [OVH](#) (FR)

We can help you with:

- Develop, or Rewrite and Migrate a legacy system
- Using Open Source technologies
- Based on Cloud infrastructure
- Integrate with existing technologies, including MS platforms / .Net Technology

See the GCP case study: [Quest Migration Case Study](#).
